***THE NAVCHALLENGE* PLEDGE FROM**

THE CAUSE

Fran Venter is a 40-year old Cape Town woman with cancer. Together with ***The NavChallenge*** presented by Glider on 5 February 2011, Fran raised R110 000 for MaAfrika Tikkun, a non-governmental, non-profit organization that aims to transform communities in South Africa by supporting orphans and vulnerable children and equipping them with the skills needed to succeed in life. This enabled Fran to fulfill a dream of her own and run the Virgin London Marathon on 17 April 2011 (raising money for a charity of her choice was the race entrance requirement).

Fran is currently in need of financial assistance for her treatment and all monies raised through this pledge form will be donated to Fran to assist with her care.

THE PLEDGE

Competitor name	Team name	
Points obtained	Points deducted	Final points

By completing the table below, you agree to sponsor the above mentioned person the agreed amount and make a difference. You will be contacted within one week of the event in order to arrange payment. Please note that there is a minimum payment of R100 per sponsor.

Name/Company	Pledge amount per point (in Rands)*	Contact number (preferably cell)	Email address

**There are a maximum number of 200 points for this event*

THE EVENT

The NavChallenge is a 3 hour orienteering event open to both mountain bikers and trail runners. Competitors are required to traverse the designated area in search of strategically positioned checkpoints. Each of these checkpoints has been allocated a score based on the distance and difficulty involved in reaching each checkpoint.
