The NavChallenge

presented by

The Cause

In 2012, the beneficiary for The NavChallenge is Reach For A Dream. Reach For A Dream is a registered Section 21 company whose vision is to give hope to children fighting life-threatening illnesses through the fulfilment of their dreams.

Reach For A Dream fulfils the dreams of children between the ages of 3 and 18 who have been diagnosed as having a life-threatening illness. They do not discriminate based on race, culture, financial status or any other factor. Each child living with a life-threatening illness is given a chance to dream.

The Event

The NavChallenge is a 3 hour orienteering event open to both mountain bikers and trail runners. Competitors are required to traverse the mapped area in search of strategically positioned checkpoints. Each of these checkpoints has been allocated a score based on the **difficulty** involved in reaching each checkpoint.

Checkpoints will be placed in such a manner that it will not be possible for the majority of competitors to reach all the checkpoints within the time limit.
